Dear Brothers and Sisters

السلام عليكم ورحمة الله وبركاته

Al Mustapha Institute of Brisbane is pleased to share with you the changes in scope for the building of the Islamic Cultural Centre.

Following consultations, it has been decided that the land in Bushmills Court and Silvertop Street earmarked for development will be released for sale, with a new larger land site being sought for a similar market value.

A more cost effective building concept is in development, that will provide prayer and educational facilities to meet the needs of the growing community. The building cost is estimated at \$850,000. We are sure you will agree this is an achievable goal and one that can be successfully accomplished in the very near future with the grace of Almighty Allah SWT and your continued support. Community and educational services will continue at 39 Bushmills Court, Hillcrest as per the current schedule until the new premises is operational.

We look forward to continued dedication in providing an excellent Islamic environment, supporting the community and keeping you up to date with the project plan.

Shukran for your support.
